Dear Parents & Guardians,

This week the Washington County School District participated in state mandated intruder drills. Each school completed a drill. These drills allowed us to collaborate with local emergency agencies to evaluate our readiness levels and refine our practices.

We routinely conduct various drills to ensure student and staff safety. The addition of this drill has helped us enhance our safety protocols. We would like to thank you for your patience and understanding with this matter. If you have any questions, please reach out to your individual schools.

Thank you,

Washington County School District
